

BROOKLYN ASCEND LOWER SCHOOL

Kindergarten Schedule - *UPDATED*

Hello Kindergarten Families,

It is hard to believe that your scholars are already in their third week of instruction! In these past few weeks your scholars have learned how to operate Nearpod and Ring Central. They have also started to discuss books and explore math concepts. We could not be prouder of how they have adapted to our remote setting.

Given how quickly our scholars have adapted to the remote learning environment, and given the decision to stay fully remote until at least late November, we have decided to shift our schedule to an all AM schedule. **Starting on September 28, 2020 all scholars will begin their day at 8:00 AM on a RingCentral call with about 15 scholars and their teacher.** Please see additional details below:

9/28-10/1 (No school 10/2)

After 11:00 your scholar's teacher may set up a 1:1 assessment with you. The time after 11:00 should also be used for asynchronous specials and read aloud instruction.
